

The 2010 Midwest Booksellers Association Trade Show
Friday & Saturday, October 1-2
RiverCentre / 175 West Kellogg Boulevard / Downtown St. Paul, MN

Hotel Reservation Information

Reservation deadline for all three hotels – September 2, 2010

Note: You must make your own hotel reservations.

- MBA has room blocks at these hotels for Wednesday, 9/29, through Saturday, 10/2. Peak nights are Thursday, 9/30, and Friday, 10/1. Significantly smaller numbers of rooms are blocked for Wednesday and Saturday.
- RESERVE YOUR ROOMS SOON. We have been conservative this year in the number of rooms in each room block. The hotels WILL expand the room blocks if we need them to, but only if they have rooms available.
- Identify yourself with Midwest Booksellers Association to receive the special MBA Trade Show rates. Or use the links below to book online. NOTE: if you want to book a room for additional dates outside our room block dates, please PHONE the hotel of your choice rather than booking online to be sure you get what you need.
- Reservations will be accepted at the above rates at these hotels only through September 2, 2010—while space remains available in MBA's room blocks. Reservations received after this date will be filled only on a space and rate availability basis.

Hotel Distances from RiverCentre: The Holiday Inn St. Paul Downtown is across the street from RiverCentre's Xcel arena. The Crowne Plaza is 3-4 short blocks away. The Saint Paul Hotel is 2 blocks away. All three hotels have parking ramps.

*** IMPORTANT NOTE REGARDING CANCELLATIONS!**

If you cancel your reservation AND your cancellation makes the room block pick-up fall below the Midwest Booksellers Association's contractual commitment at your hotel, MBA will be forced to pay attrition penalties to your hotel. Because MBA cannot afford to absorb this expense cause by your cancellation, MBA will invoice you and expect you to pay us for your share of these attrition fees based on the number of room nights you cancel.

MBA will monitor room pick-up and room lists at all three hotels to try to prevent attrition penalty situations from arising in the first place.
