Informal In-Booth Signings during the MBA Trade Show Exhibit

Saturday, September 26, 9:15 AM-4:30 PM, Roy Wilkins Auditorium, RiverCentre

The schedule of autographing times for the Formal Autographing Sessions, as well as the listings for signings taking place at publishers' booths and tables, follow here. These schedules include information to date and are subject to last minute changes, so be sure to check for updates on our website and at MBA Registration during the show.

FORMAL AUTOGRAPHING SESSIONS will take place ONLY during the MBA Trade Show Cocktail Reception on Saturday, September 26. There will be three 30 minute sessions, starting at 4:30, 5:00, and 5:30 PM. All Formal Autographing Sessions and the Cocktail Reception will take place in the NORTH half of Roy Wilkins Auditorium, immediately adjacent to the Trade Show Exhibit area.

[The Trade Show Exhibit is in the south section of Roy Wilkins Auditorium. The autographings and cocktail reception will be in the north section of this venue. Attendees and exhibitors will use the same entrance from the Roy Wilkins foyer by MBA Trade Show Registration to access both parts of the auditorium. See the RiverCentre floor plan and Trade Show Exhibit floor plan for details.]

These Formal Autographing Sessions are part of the MBA Trade Show Cocktail Reception, which is open to all registered show attendees from 4:30 PM until 6:00 PM. Booksellers, exhibitors, and authors will be able to socialize and enjoy refreshments, too!

Formal Autographing Sessions will feature voluntary donations for the benefit of the American Booksellers Foundation for Free Expression (ABFFE) in exchange for autographed books from our guest authors. The recommended and *highly encouraged* donation is \$1 per autographed book, payable by cash or check. If you want to acquire a lot of autographed books this year, please plan to be generous to ABFFE, too. Last year booksellers donated over \$800 - let's do it again this year!

INFORMAL SIGNINGS are at publishers' exhibit tables (#102, for example), as specified. Publishers will provide complimentary copies of books for their authors to sign. In some cases, authors will sign backlist titles or reading copies, if their new books are not yet available.

These autographed books are intended primarily for MBA booksellers, and an effort will be made to give booksellers priority over other attendees if books are in short supply. Quantities of some titles are limited, and all books will be distributed on a first come, first served basis.

Some of the authors at the Formal Autographings also will spend time signing books and meeting booksellers at their publishers' exhibits, and we encourage publishers to arrange this. Informal signings such as these always provide the best opportunity for booksellers and authors to talk together.

Our Book & Author Dinner and Children's Book & Author Breakfast speakers and the majority of our Authors Lunch speakers and participating authors will ONLY pre-sign books to be distributed to the booksellers and others who attended these ticketed events. If you want to meet these featured authors and get copies of their books, please purchase tickets for the meal events of your choice *in advance of the show weekend!*

Many thanks to our exhibiting publishers for sponsoring your authors at the MBA Trade Show!
