The 2009 MBA Catalog is produced for the Midwest Booksellers Association by Upper Midwest Book Marketing, Inc. or UMBM, Inc., a wholly owned subsidiary.

FORMAT & AD SIZES

- **OUR POPULAR COMPACT TRIM SIZE!** Eye-catching 6” x 10” trim size, 24 or 32 pages on 50# offset enamel stock with self cover. Full color photos throughout. 16-18 pages of adult books, plus 7-8 pages of children’s books are included in the MBA Catalog.
- 4 titles are featured on the **Front Cover**. Cover titles are primarily adult books, but children’s books also can go on the Front Cover.
- **MBA’s 2009 Midwest Booksellers’ Choice Award winners** are featured **FREE** on the Back Cover.
- An inside adult or children’s books page can include up to 6 or 7 “**Regular**” spaces, up to 4 “**Quarter Page**” spaces, or up to 2 “**Half Page**” spaces. *Various combinations of these spaces are used on inside pages to enhance subject groupings of books.* Line-listings for additional titles related to the pictured books are possible when space permits.
- “**Half Page**” space highlights up to 3-4 books with extra visibility in space approximately 1/2 page in size. We can group up to 4 related titles together in a “Half Page” space. Some book photos may overlap. Copy can be one longer description or several short individual book descriptions.

This is a good way to feature a **SERIES** of books or one of your strong categories. MBA reserves the right to accept, modify, or reject the number of books in a “Half Page” space. You can NOT put several books in the same “Half Page” space if they are not related at least by subject category.

- “**Quarter Page**” space highlights 1 or 2 books with extra visibility in space that is approximately 1/4 page in size. We can group two related titles together in a “Quarter Page” space with the titles overlapping in one photo and one block of copy covering both books. This is a good way to feature a **SERIES** of books, too. MBA reserves the right to accept, modify, or reject the number of books in a “Quarter Page” space. You can NOT put two books in the same space if they are not related at least by subject category.
- “**Regular**” space is for only one book or product in the photo and copy. One or two related books (such as backlist titles in a series or a paperback edition of a hardcover) may be line-listed [title, ISBN, format, price] with a “Regular” space title, if we have room.
- “**Backlist Special**” space is “Regular” space at a discounted \$1600 rate. Titles published 2008 or earlier are considered backlist titles for this purpose. [NOTE: backlist titles which a publisher chooses to advertise in premium larger space do not receive a discount.]
- A “**Midwest Favorites**” title is designated with a special “Midwest Favorites” blue ribbon logo beside the book. “Midwest Favorites” space is “Regular” space at a discounted \$1000 rate.
- A “**Midwest Connections Pick**” title promoted in MBA’s **Midwest Connections** regional marketing program will be advertised at the discounted \$1000 “Midwest Favorites” regional rate. These books are highlighted with the “Midwest Connections Pick” logo. MBA sometimes gives front cover or high profile space to a “Midwest Connections Pick,” at our discretion.
- An ABA “**Indie Next Pick**” title is designated in its descriptive copy and with the Indie Next logo beside the book. The “Indie Next Pick” designation has no bearing on space rate or format.

- All MBA Catalog titles will be featured on the MBA website in a PDF of the complete catalog. Visitors to our website will be sent to our searchable online MBA Bookstore Directory to locate convenient stores or to order online from them. Our website also will link visitors to IndieBound.org .
