Kiki's Hats is a lively story of a lovable woman who knits hats and gives them away.

“Kiki knits hats, but she gives away joy. And that joy, like her hats, keeps multiplying. Kiki's Hats whimsically reminds us that kindness can't be contained - a good lesson for everyone. The delightful pictures and rhyming text by Warren Hanson takes this good lesson and makes it a great book for all ages in all seasons. I love Kiki's Hats!”

Keri Holmes, The Kaleidoscope, Hampton, IA

“A wonderful book about the joy of sharing. Clever rhymes make it fun to read out loud!”

Sara Beahler, Prairie Moon Books, Sheldon, Iowa

“I loved it!! This is a marvelous story that teaches an important value to children and adults alike. I have a children's event coming up and I plan to read this book as one of the selections. It will also be going on my next book order!!”

Angie Grafstrom, Inspiration Hollow, Roseau, MN

Kiki teaches a lesson about the good we can do, and the fun we can have doing it! She reminds us that we each have special gifts and can do something wonderful for someone else. And it doesn't have to be complicated or difficult. It can be as simple as knitting a hat or raking a neighbor's leaves or visiting someone who is sick. It could also be building a house for someone who needs it. Or raising money and giving it away.
