“With his usual humor and insight, but also with real poignancy, Ferguson looks at how we see ourselves as a nation by exploring the way we choose to see Lincoln.

The result is
BRILLIANT AND AMUSING, BUT ALSO DEEPLY MOVING.”

—Walter Isaacson

“WHAT A WONDERFUL LOOK INTO THE WORLD OF LINCOLN. . . . IT’S SO DARNED MUCH FUN

to travel along with Ferguson as he guides us through the *Land of Lincoln.*”
