THIS

New York Times bestselling author Chuck Klosterman's first novel **DOWNTOWN OWL** is an unpretentious, darkly comedic story of how it feels to exist in a community where rural mythology and violent reality are pretty much the same thing. Loaded with detail and unified by a blizzard, it's technically about certain people somewhere in North Dakota...but it's really about a problem. And the problem is this: What does it mean to be a normal person? And there is no answer.
