

## A MIDWEST CONNECTIONS PICK!

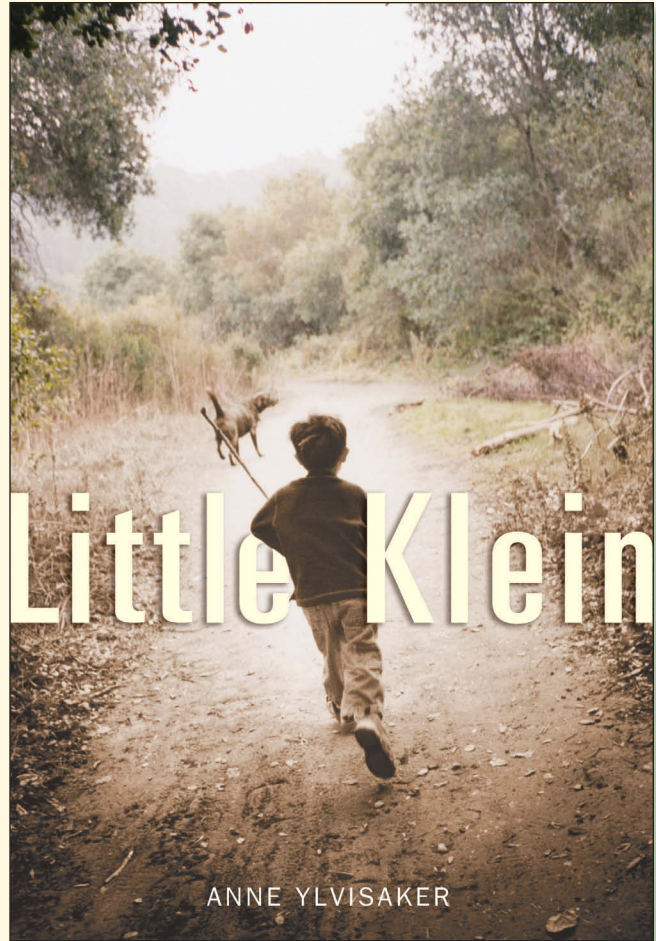

“Big things really do come in ‘Little’ packages. An entertaining, affectionate, and heartwarming read, *Little Klein* proves there are few bonds stronger than those forged between an impressionable young boy and his closest friend.”

— Teri Wood TeBockhorst,  
East Village Books,  
Des Moines, Iowa

“I loved *Little Klein*! This book is a wonderful combination of nostalgia for childhood’s seemingly limitless freedom and the dreams of every littlest brother to be the hero. This short novel makes a terrific kids’ book club pick and classroom read-aloud.”

— Ellen Scott,  
The Bookworm,  
Omaha, Nebraska
