 **PICK**

Meet the Beaumonts, an eclectic family whose members each possess a “sawvy”—a special power that erupts when they turn 13. On the eve of daughter Mibs’ big day, she soon finds herself on an unforgettable odyssey.

“Ingrid Law’s voice is fresh, humorous, and heart-warming without being sentimental. **SAVVY** is one of the most satisfying middle grade novels I’ve read in a long time.”

—Carla Ketner, Chapters Books & Gifts, Seward, NE
