

A MIDWEST CONNECTIONS PICK!

T*his Water Goes North* fans the adventurous fire of adolescence and rekindles the spark buried deep in adults.

“The rich and delightful account of four adventurous souls . . . Enjoy a marvelous story that will make you not only feel young again, but may cause you to dream of new or old adventures, perhaps one of which you reckon must finally be pursued.”

—TODD BURRAS, outdoors editor,
The Tribune, Ames, Iowa

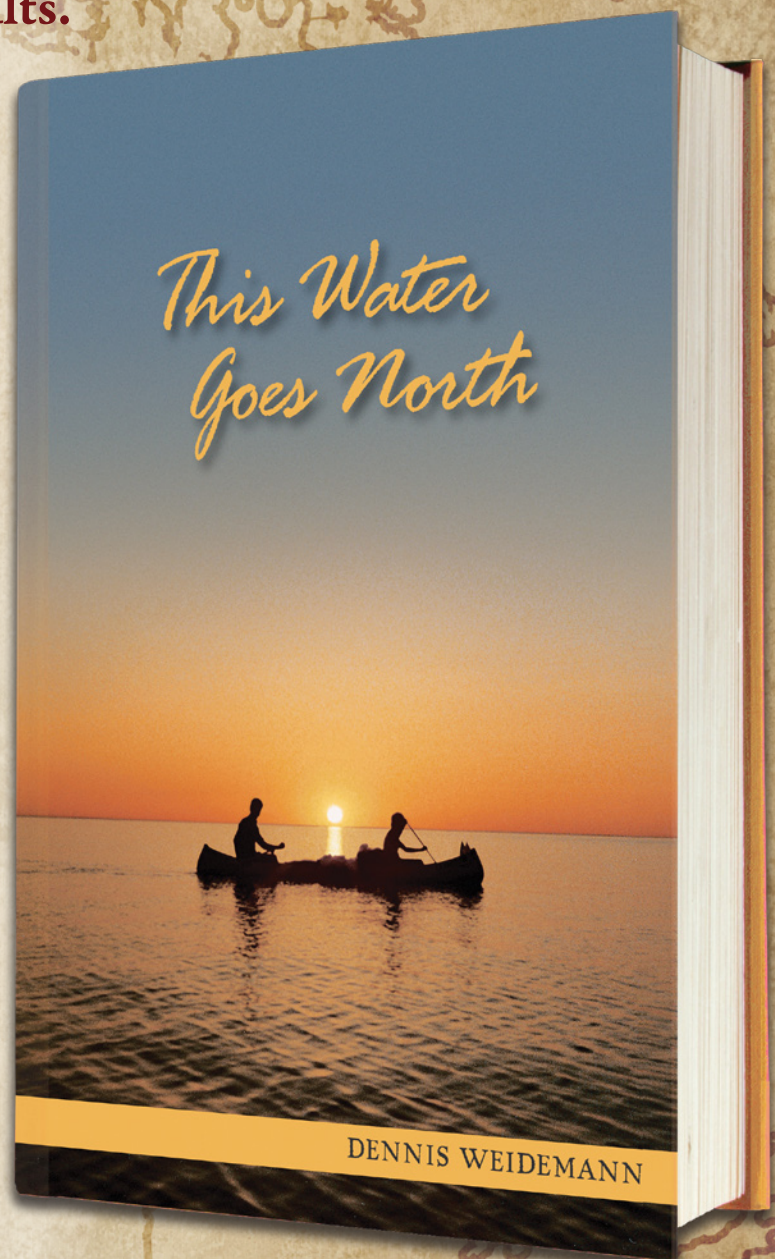

“A must-read for anyone who ever grasped that ‘wild hair of youth’ to do something a bit crazy and over-the-top. And for anyone who didn’t, but wishes he had.”

—MARK PORTELL, *Wamego Times*,
Wamego, Kansas

“For a fine story about the dreams, resilience, and joys of youth—and youth remembered—*This Water Goes North* is a trip well worth taking.”

—CHARLIE MAHLER, *Canoeing.com*

The epic tale of four Midwestern farm boys who, in 1979, left college and jobs behind to fulfill a 1,400-mile quest to the fabled York Factory outpost on Hudson Bay.
