

## Maud Hart Lovelace's Beloved Series of Books Follow Betsy Ray from the age of 5...

These four books that start the series are available from HarperCollins Children's Books

**through high school, on to Europe and in her first year of marriage. They are now all available again!**

These three new Harper Perennial Modern Classics Editions are available now.

**"Slipping into a Betsy book is like slipping into a favorite pair of well-worn slippers. It's always a pleasure to live in Betsy's world for a little while, to experience her joys as well as her (thankfully short-lived) sorrows."**
