“Set on a mysterious time-warped island in Lake Superior, *The Tale of Halcyon Crane* is a delicious ghost story, by turns chilling and heartwarming. The perfect cozy read.”

—MARY SHARRATT,
author of *The Vanishing Point* and
Daughters of the Witching Hill

W

HEN A MYSTERIOUS LETTER lands in Hallie James's mailbox, her life is upended. Hallie was raised by her loving father, having been told her mother died in a fire decades earlier. But it turns out her mother, Madlyn, was alive until very recently. Why would Hallie's father have taken her away from Madlyn? What *really* happened to her family thirty years ago?
